OBJECTIVE

Recent Computer Science Engineer eager to kick start my career with a reputable company that offers opportunities for skill development and career advancement. I aim to leverage my skills and contribute positively to the organization's objectives and foster personal growth.

EDUCATION

B.E-CSE	P.A. College of Engineering and technology	80.01*	2022-2026
HSC	Our Lady of Lourdes Matriculation	78.5%	2020-2022
SSLC	Higher secondary School	90%	2019-2022

PROJECT

MENTAL MATH TRAINER

Developed a Java-based Mental Math Trainer application to help users improve their arithmetic speed and accuracy. The application generates random math problems (addition, subtraction, multiplication, division) and displayed at the end of each session.

PERSONAL PORTFOLIO WEBSITE

Created a modern, responsive portfolio using React, HTML, CSS, and JavaScript, highlighting skills, projects, and professional profile with interactive UI elements and smooth navigation.
